

TITLE: CITY SUPERINTENDENT

JOB LOCATION: 1308 IRONWOOD STREET

GENERAL STATEMENT

The following duties are normal for this position. The omission of specific statements of the duties does not exclude them from the classification if the work is similar, related, or a logical assignment for this position. Other duties may be required, assigned, and expected commensurate with the administrative needs of the City as they may evolve.

The position shall directly supervise and or assist in the work activities of the city public works employees. Plans and schedules work operations and employee assignments. Must be a self-motivated individual so as to seek out necessary work activities without being instructed. Makes effective recommendations to hire, fire, transfer and discipline all public works employees. Annually evaluates performance of personnel, under incumbent's supervision and makes salary recommendations conforming with budget.

CONTROLS OVER THE WORK

Controls, supervises and participates with the work of all publicworks employees. Receives general instructions, project recommendations and advisement from the City Mayor. The City Council may make recommendations on work that needs to be done and it is the responsibility of the City Superintendent to prioritize these projects

ILLUSTRATED EXAMPLES OF WORK AND RESPONSIBILITIES

- ❖ Plans, schedules and assigns work to individual publicworks employees in all departments: Street, Water, Sewer, Garbage, Airport and Parks.
