5.24.010 Purpose.

It is deliberately intended that the contents of this chapter recognize the importance and benefits of freedom of expression to a democratic society. Therefore, it is neither the intent nor effect of this chapter to restrict or deny access by adults to sexually oriented materials protected by the First Amendment to the United States Constitution or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Similarly, this chapter has neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented materials. Conversely, it is neither the intent nor effect of this section to condone or legitimize the distribution of obscene material for child pornography nor the display or distribution of harmful materials to minors. However, the city of Oroville finds that other communities have proven through studies and experience that these businesses, when

unregulated, promote illegal activities including obscenity, sexual offenses, and prostitution, as well as creating a variety of secondary impacts on local communities including increase of crime, decline in property values, blighting of neighborhoods, diminution of quality of life, corruption of youth, and depression of business activity. Therefore, the licensing and operation of adult entertainment facilities should be regulated and monitored through the system of licensing and operating regulations contained in this chapter. (Ord. 668 §1(part), 2003).

5.24.015 Scope.

This chapter governs the licensing and operation of sexually oriented businesses within the city. The location and siting of sexually oriented businesses is governed by the zoning regulations contained in Chapter 17.70 of this code. All sexually oriented businesses shall satisfy the requirements of both this chapter and Title 17 of this code. (Ord. 668 §1(part), 2003).

5.24.030 Prohibition.

To prevent illegal activities such as obscenity, sexual offenses, tax evasion, and prostitution, as well as a variety of secondary affects including but not limited to, increase in crime, decline of property values, blighting of neighborhoods, diminution of the quality of life, and depression of business activity, a person or persons shall not use any property or premises for a sexually oriented business or use within the city unless such business or use is in compliance with all regulations and conditions enumerated in this chapter and Title 17 of this code. The required notice shall include the information required for the original sexually oriented business license application. If the change in interest is greater than fifty percent, then the business will be treated as a new and separate sexually oriented business requiring the issuance of a new sexually oriented business license.

(a) Upon receipt of a complete application and fee, the administrator shall provide copies to the city clerk/treasurer, police, fire, public works, and planning departments for their investigation and review to determine compliance of the proposed sexually oriented business with the laws and regulations which each department administers. Each department will, within thirty days of such application, inspect the application, and premises if necessary, and shall make a written report to the administrator whether such application and premises comply with the laws administered by each department. No license may be issued unless each department reports that the application and premises comply with the relevant laws. In the event the facilities are not yet constructed, the departments shall base their recommendations as to compliance upon their review of the drawings submitted with the application. A department shall recommend denial of a license under this subsection if it finds that the proposed sexually oriented business is not in conformance with the requirements of this chapter, or other law in effect in the city. A recommendation for denial shall cite the specific reason(s), including citation of applicable laws.

(b) In addition to the remedies described in Section 5.24.160 of this chapter, violation of any provisions of the Oroville Municipal Code that are applicable to sexually oriented businesses shall constitute grounds for nonissuance, revocation, or suspension of a sexually oriented business license.
