Monday, November 21, 2022

Commissioners Present: Arnie Marchand, Suzi Seger, Heather Marthaller, Valorie Johnston, Rebecca Ann, Alan Freed.

Absent: Jeff Bunnell

Staff: Kurt Danison and Cindy Boyer

Arnie called the meeting to order at 4:31 pm, asked if there were any additions or corrections to the minutes for the October 17<sup>th</sup> meeting, hearing none the minutes were approved.

The Public Hearing was started by Arnie reading the disclosure for how the public hearing will be held, since there was no one other than the commissioners and the two new people interested in the alternate positions, Kurt opened with a background of what the public hearing was about, updating our critical areas so we are in compliance with the state. He also went over some of the corrections and additions they made and what the maps were representing.

The public hearing was closed at 5:20.

Heather moved to accept the Comprehensive Plan & Growth Management Element, Valorie seconded it and all approved. So now the commission will send it to the City Council for approval.

The next meeting will be in January, and we will be talking about the zoning code and or the next element.

Officers need to be elected then too.

Meeting was adjourned at 5:30.
