Department head updates

Police Chief Hirst reported the patrolmen all qualified under their first and second rounds of firearms training, they will be completing the third round soon.

Superintendent Thompson reported that the crew fixed a water main line break on Main Street that briefly affected the clinic and dental office. The street patching they made to the area will be temporary over winter as the crew will replace it with better efficient patching next spring. Thompson also reported that the crew is in full gear to winterize for the season.

Mayor Naillon reported concerns made aware of abandoned buildings, property neglect, and RV's being lived in, which is against the City's Code. Building Inspector Forbus explained the process of addressing the properties with formal letters and possible citations. Forbus will report back with more information as he proceeds with further investigation.

Mayor Naillon inquired on the status of the tree removal from in front of the Art Gallery. Superintendent Thompson reported that new tree wells will need to be installed and the locations will need to be determined for tree placement; Thompson stated that he would like to remove the trees in the fall and replace them in the spring.

As there being no further business, meeting adjourned at 7:30 pm by Mayor Naillon.
