

Oroville Planning Commission

Tuesday, January 16, 2024

Commissioners present: Valorie Johnston, Suzi Seger, Jeff Bunnell via zoom and Alternate Alan Freed

Absent: Chair Arnie Marchand and Heather Marthaller

Staff: Kurt Danison via zoom and Cindy Boyer

First on the agenda was the Public Hearing on the Comprehensive Plan Updates

Acting Chair Valorie Johnston called the meeting to order and read the Public Hearing Disclaimer for the Amendments to the City of Oroville's Comprehensive Plan.

Planner Kurt Danison read the staff report on the background of the updates made to the Comprehensive Plan and how the Commission has worked through each Element of the plan (including the Introduction and Land Use Element) over the last 14 months, and recommends that the Planning Commission move to forward the updated Plan and maps to the City Council for their consideration and passing a resolution to adopt the plan and maps accepting all proposed changes.

There was only one written comment submitted during the public review process that required no changes, and no one at the public hearing that wanted to make any comments, the Hearing was closed.

Moved by member Suzi Seger, seconded by Valorie Johnston that the Commission recommend approval of the updated Comprehensive Plan to the City Council.
Passed unanimously.

Next month we will elect officers when everyone is present and the meeting will be February 20th, due to the President's Day Holiday.

Meeting adjourned at 4:58
