

Oroville Planning Commission

September 16, 2024

Commissioners present: Chair Arnie Marchand, Vice Chair, Heather Marthaller, Suzie Seger, Valorie Johnston, and Alan Freed.

Staff: Kurt Danison and Cindy Boyer

Chair Marchand called the meeting to order at 4:33. He asked if there were any additions and/or corrections to the minutes from the June 17<sup>th</sup> meeting, and hearing none, the minutes were approved.

First on the agenda was to review the Parks, Recreation and Open Space Plan, the city needs to update it so they can apply for grants to receive funds to improve our parks and recreational services.

Kurt went over what the primary purpose of the plan is and how it will align with the relevant requirements outlined within the City of Oroville's Municipal Code. There are a lot of great pictures and grafts to look at and descriptions of what all the city parks have for the public to utilize.

The City of Oroville had over 80 responses to the park survey that we put on the website and paper packets were handed out at the library. Security cameras and public safety were two of the main concerns, and bathroom facilities in the parks that don't have any available at this time.

The PROS Plan discussion took up all the time so the rest of the agenda will be tabled until our next meeting.

Meeting adjourned at 5:45.
